Temporarily Closure of the Bureau of Motor Vehicles' St. Thomas Office Due to Inoperable Air-Condition System

U.S. VIRGIN ISLANDS— Director Barbara Jackson-McIntosh would like to inform the motoring public that the Bureau of Motor Vehicles' (BMV) St. Thomas Office will be closed effective February 2, 2024, until further notice.

The AC Unit at the Tutu Park Mall office has malfunctioned. We apologize for any inconvenience this may cause; however, this is a major concern, and it is imperative that we protect our employees, and the wider Virgin Islands community. We hope to resume our regular hours of operations shortly.

Director McIntosh said that “Persons who have appointments will be rescheduled and accommodated when we resume normal operations. Customers are encouraged to renew their registrations online by visiting the BMV website bmv.vi.gov.”

Director McIntosh apologizes for any inconvenience this may cause. For more information, please visit our website at bmv.vi.gov.
