THE VIRGIN ISLANDS OF THE UNITED STATES OFFICE OF THE GOVERNOR
BUREAU OF MOTOR VEHICLES

TRANSFER ON DEATH APPLICATION

Transfer on Death allows vehicle owners to add or remove a beneficiary to their title. The vehicle owner must be an individual, not a business. The original title, registration and owner's ID must be presented to the BMV.

If there is a lien on the vehicle to be transferred, a transfer on death **cannot** be executed until the vehicle is released from the lien.

To transfer the ownership to the beneficiary, the beneficiary must submit the title (if available) and certified death certificate of the vehicle's legal owner(s). If more than one owner is on the title, the beneficiary cannot become the vehicle owner until all owners are deceased.
